1A. FACTABIZ Sign Up¹

1.1 A user should have the option to Sign-Up² from any country in the World – applicable to all of the versions³. During the sign up User will see the below types of webpage, the source-code⁴ sample. Keep or Create Sign up with at least- Google, Facebook,(which already have with the Source code) Instagram, Tweeter, LinkedIn. Here other Login means our other Brands but when user clicks iC-Café Log in it will redirect to the same page –means FACTABIZ Login Page. Below I have made a Sign-up Sample 01, but the developer can Edit and something new as think fit and proper.

1.2 To the Developer – First visit - <https://www.factabiz.com/terms> and Set a Clause for the customer that- During the Sign Up they can see the notice – “See the ‘Term Page/ T& C Page’ which is available at the bottom of the site & also at the apps”. The Developer will create a T&C Page that Factabiz can Upload their Terms Documents according to Heading of the service (Alphabetically) as a PDF file. Also set- ☒ I accept and agree with the relevant (Relevant means – if a User will obtain Medical Service then the Medical Services terms will apply to the user); Terms (available at the T & C Page) & Conditions. **The Terms apply according to the 'subject to relevance' to all the Services.**

FOOTNOTES:

¹ EACH category (it means that signup or login category for employee. Local iC-Café Agent, Marchant and User) will see Different SIGN UP FORM AND each category and service provider CAN BE FOUND FROM THE MENU AND CATEGORIES= Here, Service provider means Local iC-Café.

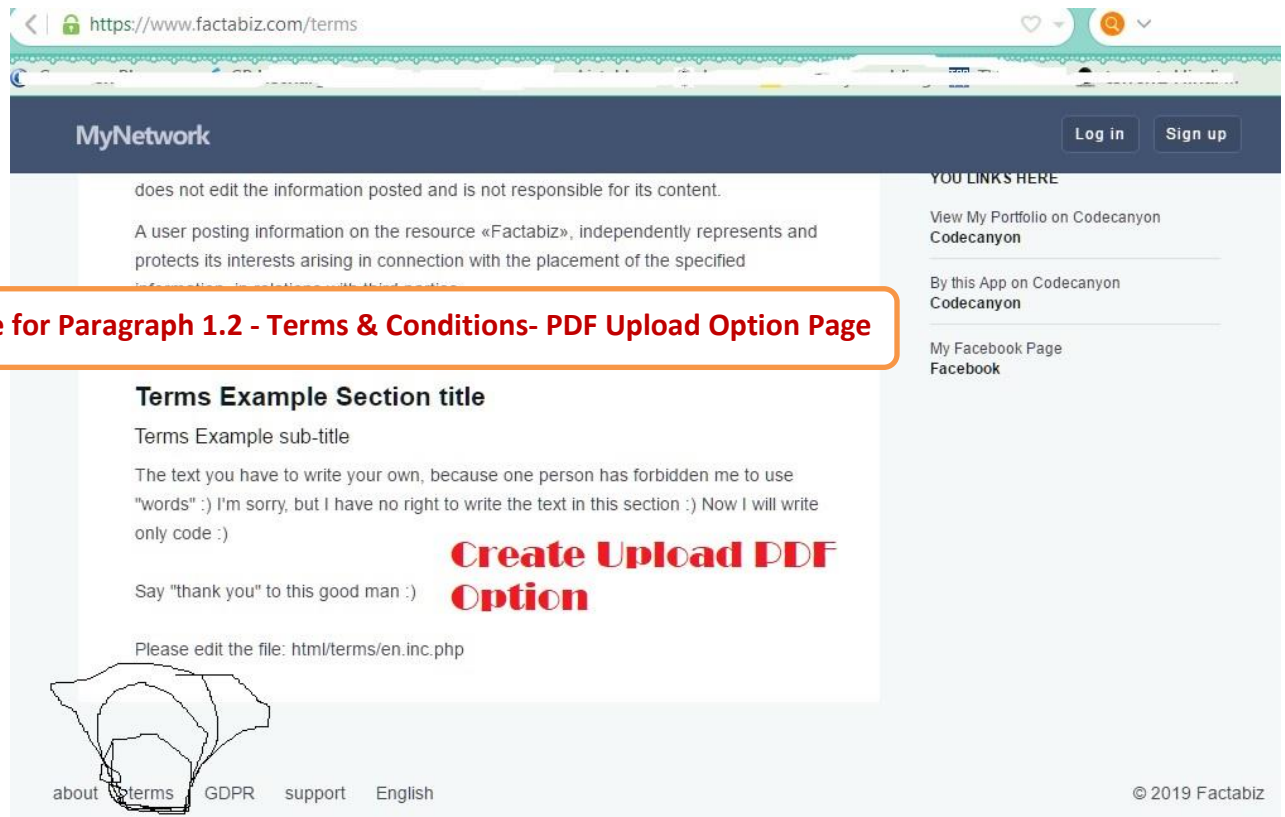

² Already, this 'Sign Up codes' has created by the Source Code Writer –the language & Source Code details are available at <https://codecanyon.net/item/my-social-network-app-and-website/13965025> .

1.3 Explanation of Elements and Design in Details Below:

- i. The Whole FACTABIZ will be developed on the My Social Network's⁵ Source code; and 'FACTA Post' is one of the parts of the FACTABIZ. The Whole FACTABIZ be will be shown at www.factabiz.com and 'FACTA Post' can be found at www.factapost.xyz . But both will be connected each other. From the iOS and Android 'FACTA Post' can be found at the FACTABIZ Logo.

- ii. When user will click FACTABIZ Logo it will redirect to "FACTA POST"⁶.
- iii. "FACTA POST" will be completed with a WordPress theme; And Factabiz will be completed with 'My Social Network theme' (Java Based).
- iv. But at this moment you just add the domain name and theme. The Developer will only set the Domain name there and host the WordPress site with theme; also change the basic things at theme i.e- Brand name etc. Before publishing the WordPress site with "Flutter Code"- it should be made also compatible with both iOS and Android. I do have a WordPress Paid Theme⁷ – Later, the theme does not need to update too much just the developer will connect the domain at FACTABIZ Logo button and do the hosting part and create a connector option that user can post the link of the Written post or Essay, Opinion on recent News with the FACTABIZ User's Account.
- v. When we will start to make – the user should have the option. That when they will write any essay or comments to FACTABIZ post (the spokesman and magazine- they can direct the share it to the user profile) Later⁸.

⁶ The spokesman of FACTABIZ and a Magazine –which will give the access to some sections to write all user and also it will work as a Blog.

- vi. After the sign up user has to choose District (to complete his/her profile) and the Developer will add the District Names from Wikipedia⁹. User can hide his/her Location from Public view or friends view (this already available at App source-code).
- vii. Sign up option for independent shops- the sign up form will be same but the developer will create/add an extra option ☒ that the "Independent Shop Owner" will Choose / tick his/ her Local/ Nearest iC-Cafe and That shop owner will Purchase their goods with wholesale price & On Credit from their local iC-Café.(iC-Café Agent¹⁰/ Marchant¹¹ would be the Investor here for this part. But for other shops which will be created with the iC-Café –each shop will belongs to Independent Entrepreneur Grope. i.e A Medicine Shop will belong to Mr. X & Mr. Z. The Grocery will belong to Ms. K & Ms. L. Though it would be looking like Supermarket or Super-shop but it will work as whole the iC-Café Manger will deal the POS Till but his salary will be given by all of the shop owners and Agent will belong only the Food Court, Game Zone and other shops to the Independent owner. Also, FACTABIZ will share their profit according to the contract between Agent/ Marchant and FACTABIZ.
- viii. First visit - <https://www.factabiz.com/signup> ;see At the 'Sign up Form' the developer will Edit the "Invited Box" as Ref ID = which is 'Employee/agent affiliate code input/insert box'; keep it optional (At

the App/ Source-code- it is already available as- User ID who invited you). The Employee of Factabiz can put the affiliate code into the box or a User can him/ herself put the employee's or Agent's code during the registration procedure¹²; which will make sure 5% discount money to the them(Employee, Agents, Marchant). And it should automatically be added to agent (Agent means Local iC-Café Co-owner), Employee and user's account.

The image shows a screenshot of a web registration form titled "MyNetwork". The form includes a "Log in" button in the top right corner. A blue banner at the top contains the text "your friends anytime. anywhere. Stav". Below this, there is a section for "User ID who invited you (optional)" with a text input field containing the number "0". A red annotation box with a black border is overlaid on the form, containing the text "Example for Paragraph No viii of 1.3 for Add Employee or Agent code for 5% Profit/ Commission". Another red annotation box with a black border is overlaid on the "User ID" field, containing the text "ADD EMPLOYEE OR AGENT AFFILIATE CODE". Below the input field, there is a "Sign up" button. The footer of the page includes links for "about", "terms", "GDPR", "support", and "English", along with the copyright notice "© 2019 Factabiz".

1B. The logo known as iC-Café

1.4 Only Central iC-Café will create the Social media Pages. Each Local iC-Cafe will not have their own Website, not even a page at Facebook or other social Media – but they will have a page at Factabiz and they will create a Page by their name at FACTABIZ with Hashtags. So the developer will create a Page option for Factabiz-See details for Page creation.¹³

1.5 At top Bar or at the left –the Developer will set a Button for iC-Café like other Button- before the home button. Also the list of iC-Café would be available there-the developer can find the entire sample list¹⁴ from the District List. Keep 4 Branches for Metro Cities, see details¹⁵ and for Town or District¹⁶ keep 2 Branches (options Like- Dhaka 1, Dhaka-2, Dhaka-3).

1.6 iC Café & Club Services - Table Tennis (Male & Female different Schedule –Must Book through online). Billiard /Pool, Bowling. And a Kids Zone- Includes - Plastic Multicolor Super Bowling Alley Toys and Ride (if

1.7 (The Developer will work on this part on 3rd Update/3rd Order – not with the current work order) Each Club will sell tickets independently through our website or local iC-Café. Even offline ticket's will be provided with an auto generated code¹⁸ (make sure- the code will different for each club; and the code will start of the first three digits of each club's name) that whether it will be issued through website or any iC-Café Centre it's. ¹⁹

1.8 (The Developer will work on this part on 3rd Update/3rd Order – not with the current work order) When the Game or League will play / organized then the Ticket buyer (match viewer) can be benefited. i.e.- if the Loser team will sell 500 tickets X 50 BDT for each =25000 and will sell Royalty of the club's Souvenir, Mug, Tea-shirt etc. -during the game / League then the Loser team/ Club will have to give 30% of the total ticket price and Royalty money to the buyer of the Wining Team's Tickets. As now a days people does not want to go stadium and entertainment can be enjoyed through TV- so the tickets buyer are

¹⁷ The Agent should have the option that he can choose whether the Agent wants to add the 'Game Sections'(Pool, Table Tennis etc.) to his/her Local iC-café or not; if yes then Tick ☒ the Game Names which said above- during the registration. And it will be automatically added to the Agent's relevant iC-Café page.

¹⁸Keep an option for auto generated barcode for the admin. Every individual shopkeeper (who has the POS setup) or local iC-Café should have 30 individual barcode for 30 days

¹⁹ The ticket shall be created as a grocery / utility product as POS system will be connected with FACTABIZ server, so the total sell shall be counted from the POS. The local IC-Café will work as POS counter .The user can buy the ticket from the FACTABIZ website through the Payment Gateway.

losing their money in terms of gaining anything while visiting the stadium.

1.9 Set the employee's/ Co-owner's Working Schedule at Food court, Pharmacy with Doctor's Help, Game Sections, Kids Zone, General Shops. The Developer will create the option that User/ Co-Owner can set the Schedule by their Shop's Name or by their Company Name etc. (Only Registered Students and Co-owner will work there as a part timer- on **schedule basis; Apply the schedule option example**²⁰- or see details as stated at V.(a) of the 1.10 Paragraph).

1.10 Elements: Virtual Office + Job Centre plus etc. (Local Business owners can hire employees from here- Need to produce and show that there is enough , potential employees and Jobs The Developer can follow - LinkedIn Job Profiles & BD Jobs²¹ for example) The developer has to connect the profile with a search Criteria. The Applicant does not need to make / submit CV but the Employee will see only customized information like a CV²².
